

Subject:	Early/Late Receival Protocol and Rates – Road and On-dock Rail	
Port(s):	Brisbane, Sydney, Melbourne and Fremantle	
Effective Date:	01 January 2025	
Industry Advisory:		Issue Date: 01 November 2024

Rates Schedule

Patrick Terminals

- Brisbane Autostrad
- Sydney Autostrad
- Melbourne
- Fremantle

All early and late receival containers will be subject to an early/late receival fee of **AUD 433.85 per container plus GST**.

The fee will apply to each export laden container received outside of the normal export receival period regardless of application time. The normal export receival period is for up to five (5) working days prior to vessel fixed day schedule arrival.

Applications should be made as follows:

For Late Receivals

All late receival applications are to be submitted to the National Operations Centre via the Customer Ancillary Request System (CARS). Only applications submitted via CARS will be considered for approval.

For Early Receivals

Early receivals maybe accommodated by prior agreement with the National Operations Centre. Early receival applications are to be submitted to the National Operations Centre via the Customer Ancillary Request System (CARS). Only applications submitted via CARS will be considered for approval.

Early receivals will also attract export storage charges in excess of seven (7) days.

For All Early/Late Receival Applications

- 1) Applications for Early/Late Receivals must be made by the Container Operator to the Patrick National Operations Centre (NOC) via CARS. All early/late receivals are to be applied for in a timely manner.
- 2) Applications will only be processed during normal business hours 0800 to 1600 AEST, Monday to Friday.
- 3) Containers are to be PRA'd and the CARS late receival form is to be completed in its entirety upon application.
- 4) Agreement on the request will be subject to approval of the Vessel Operator and the Terminal. Please note:
 - a. No containers will be received after vessel arrival at berth; and,
 - b. No hazardous late receivals will be considered by the Terminals unless these are to be organized based on Port requirements.
 - c. A hazardous unit required to be delivered after the receival period due to Port requirements, will be charged at a reduced rate of **AUD 216.95**.
- 5) Late receivals that are cancelled, or which do not eventuate will still attract the late receival fee plus any other associated charges.
- 6) Although the terminal will make every effort to accommodate the receival of containers at the requested delivery time, in circumstances where they cannot, time slots for delivery will be issued at the terminal's discretion, prior to vessel arrival.

All early/late receivals are subject to Patrick's Standard Conditions of Contract which may be viewed online at the Patrick website at www.patrick.com.au. Patrick's Standard Conditions of Contract exclude Patrick's liability in certain circumstances and include indemnities which benefit Patrick.

Rates, Terms and Conditions are subject to change in accordance with Patrick's Standard Conditions of Contract.
